Vishal Sharma

BTech Computer Science · JK Lakshmipat University
Location: Jaipur, India | Status: Student

Overview

I'm a BTech Computer Science student at JK Lakshmipat University in Jaipur, graduating in 2028. I'm most interested in backend engineering, API design and relational databases, and in building React interfaces on top of them.

Technical Focus & Skills

Interface (Frontend)

React (Intermediate), JavaScript (Advanced), HTML & CSS (Advanced)

Service (Backend)

Java (Intermediate), Spring Boot (Intermediate), Node.js (Intermediate), Express.js (Intermediate), PostgreSQL (Intermediate), MongoDB (Intermediate)

Foundation (Tools & Technologies)

Git & GitHub (Advanced)
